**Final Note by the Minister for Education and Public Health**

***Subject***— Placing Dr. B. Jayaram Naidu in charge of all the Tuberculosis Institutions in the State

With the gracious approval of His Highness, Mr. B. Jayaram Naidu, M.B.B.S., B.S., L.R.C.P & S (Edin), T.D.D.(Wales), was appointed as a Specialist on a pay of Rs.750/- per mensem in grade Rs.750-50/2-1000 and posted as Medical Officer of the Princess Krishnajammanni Sanatorium, Mysore and was also placed in charge of all other Tuberculosis institutions in the State subject to the control of the Senior Surgeon. Mr. Jayaram Naidu is at present drawing a pay of Rs.800/- in the above grade. The Policy Committee for Public Health have, under the postwar development, recommended the following schemes:-

(i) Establishment of a well equipped and up-to-date tuberculosis sanatorium in Bangalore;

(ii) Tuberculosis survey in Mysore, Bangalore and Tumkur Districts;

(iii) Providing tuberculosis wards as annexes to all the district hospitals;

(iv) Establishing tuberculosis after-care colonies;

(v) Improvements to the Princess Krishnajammanni Sanatorium, Mysore and provision of additional beds;

(vi) Sanctioning additional equipment and staff to the existing tuberculosis hospitals and clinics;

(vii) Deputing Medical Officers to foreign countries or Indian Universities for specialising in tuberculosis work.

4 Some of the above schemes have already reached the stage of completion and others are under the sanction of Government. It is considered that the planned development of Tuberculosis work and the expeditious execution of the various schemes would be greatly facilitated if the work relating to this section is placed under an independent charge of an officer. The matter was considered at the meeting of the Council of Ministers held on the 13th and 14th

(F. N.—Contn.)

August 1947 and the following resolution was passed:-

"Dr. B. Jayaram Naidu may be placed in charge of all the Tuberculosis Institutions in the State and his pay raised to Rs.1,000/- per mensem in addition to the allowances which he is drawing at present."

I solicit the gracious sanction of His Highness to the resolution of the Council.

2. G. O. No. M.45+45-7/Med.74-44-4 dated 11th November 1944 directing that the Lady Willingdon Tuberculosis Clinic and Dispensary at Bangalore and the Tuberculosis Hospital at Davangere be placed under the administrative control of the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore.

Order No. 1707-8/O.B. 94-47-1.

Dated, Bangalore, 24th September 1947.

The Policy Committee for Public Health [illegible] Development, recommended the following schemes:

1. Establishment of a well equipped and up-to-date tuberculosis sanatorium in Bangalore;
2. Tuberculosis survey in Mysore Bangalore and Tumkur Districts;
3. Providing Tuberculosis Wards as annexes to all the District Hospitals;
4. Establishing tuberculosis after-care colonies;
5. Improvement to the Princess Krishnajammanni Sanatorium, Mysore, and provision of additional beds;
6. Sanctioning additional equipment [illegible] staff to the existing Tuberculosis Hospitals and Clinics;
7. Deputing Medical Officers to fore[illegible] Universities for specialising in tuberculosis work.

Some of the above schemes have already reached the stage of completion and others are under the sanction of Government. It is considered that the planned development of Tuberculosis work and the expeditious execution of the various schemes would be greatly facilitated if the work relating to this section is placed under the independent charge of an officer.

Government are, therefore, pleased to direct that Mr. B. Jayaram Naidu, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore, be placed in charge of all the Tuberculosis Institutions in the State and that his pay be raised to Rs.1000/- per mensem with effect from 26th August 1947, in addition to the allowances which he is drawing at present.

The District Hospitals which are under the control of the Senior Surgeon, the tuberculosis wards and any annexures made and to be made and any developments made, either in respect of tuberculosis or any other speciality at District Head-quarter Hospitals will continue to
